2023 Rendy Location

The 2023 Rendy will be held June 23-25, 2023. It's the perfect place to meet up with other packgoat enthusiasts. Bring your goats or just camp with friends. This year, the Rendy will be located in northern Utah. The site is about 33 miles South of the I-80 in northern Utah. The nearest and last town to get gas is Mountain View, Wyoming.

Coordinates: 40 58'38"n 110 18'18.27"w
The site itself is up in the mountains at about 7900 feet so expect nights to be cold, and the

days fairly cool. The camping location is a fairly flat area with trees to the north of the site where there are good places for tents or small camper/trailer units. Larger units can camp outside of the trees. The schedule of events isn't complete yet and we can use your help! If there is something you would like to learn more about, please send an email to rendezvous@napga.org

We do know that we will be offering the Hug a Tree program (great for kids and adults!), how to use bear spray, and sessions on Leave No Trace for both kids and adults. Pack gear vendors usually bring items to view and answer questions. If you bring your goats, weed free hay is required. Thank you Charlotte and Clay Zimmerman for being the Rendy hosts and finding this location. More information to follow as details become available on the NAPgA website. www.napga.org.

Youth Awards Submission Date Extension!

The due date for NAPgA's Youth Awards has been extended to May 1, 2023.

NAPgA offers our youth a \$150 Annual Rendezvous Attendance Stipend and a \$500 Scholastic Scholarship.

Download the Awards information and the application form on the NAPgA website

2023 Virtual Auction June 1st-5th

NAPgA needs your help! Donated items are needed to make this year's auction the biggest and best yet! Although everyone loves to see and bid on the wonderful goat related items that are donated, we welcome donations of non-goat related items as well, as long as you believe they will spike the interest of potential bidders. This multi-day online event features a wide array of donated items including packgoat equipment, apparel, goats, handmade items, artwork and much, much more! You don't need to be a NAPgA member to bid on the items. It is open to the public to reach a broader audience. Those who donate items can choose to have the funds received from the high bidder for their donation(s) placed in the NAPgA General Fund, the Carolyn Eddy Research Fund, the UC Research Study fund or the Legal Fund the UC Research Study fund. Updates and more information will be posted on the NAPgA website <https://napga.org/events/virtual-auction/> Last year we were able to raise \$4,374 dollars! Let's beat that this year!

We thank our corporate sponsors for their support.
